

BAYVIEW & BAYVIEW PLUS TECHNICAL DATA

PRODUCT DESCRIPTION

Applications Bayview and Bayview Plus are premium marine and outdoor fabrics manufactured from 100% acrylic, outdoor graded fibre. Suitable for use in boating hooding, bimini covers and boat covers, Bayview and Bayview Plus are also ideal for awning, window and blind applications. Specially coated with TECNOGARD finish, Bayview and Bayview Plus are stain and mildew resistant, colour fast and breathable.

Features Stain repellent, breathable, colour fast, and resistant to mould and bacteria – these features reduce maintenance and cleaning costs, and allow longer service life of boat. The range is also Okeo-Tex® Standard 100 certified, TECNOGARD coated and sanitised, with a five year guarantee.
